It has been my pleasure and privilege to have served as Afton's principal from February of 2017 to June of 2021. I have the honour of being Afton's last principal, an honour I will proudly carry through the rest of my life.

There are so many amazing aspects of our school that have made Afton incredible:

- An arts focus that has culminated an incredible number of arts experiences for our students, such as: Afton Arts Alive; the Trickster Theatre video presentation; concert attendance at the Yardbird Suite, Edmonton Symphony Orchestra, Alberta Musical Theatre; artists in residence Garth Prince, Heather Shillinglaw, and Marty Chan; and presentations from Jens Lindmann, a community Celebration of Culture, and performances at the Night of Music, City Hall, the Alberta Legislature, and Edmonton International Airport.
- Volunteers and school assistance teams from so many community members including: lunch supervisors, Big Brothers and Big Sisters, Edmonton After School Care Association, parent volunteers in classrooms and on field trips, and so many parents serving as executive members of our Afton School Council.
- A school staff that is super skilled, dedicated, and caring in every position we have: custodians, librarian, administrative assistants, educational assistants, and teachers. Oh our teachers! Stellar teachers all.
- Afton students: where will they be in ten or more years? The sky is the limit! I fully expect to hear about the great things happening, locally, provincially, nationally, and around the globe, due to the efforts of Afton alumni. There is so much potential here! I believe with my whole heart that an education creates opportunities, opening doors for student to experience living life at the absolute limits of their capacity. Thanks to our students as they are the reason for Afton to exist and excel.

In the most extraordinary of circumstances during the last two years we have continued to work hard and succeed. Thank-you to every community stakeholder, parent and guardian, staff member, and especially students for your determination, dedication to improvement, and enjoyment with learning.

All the best in the future,

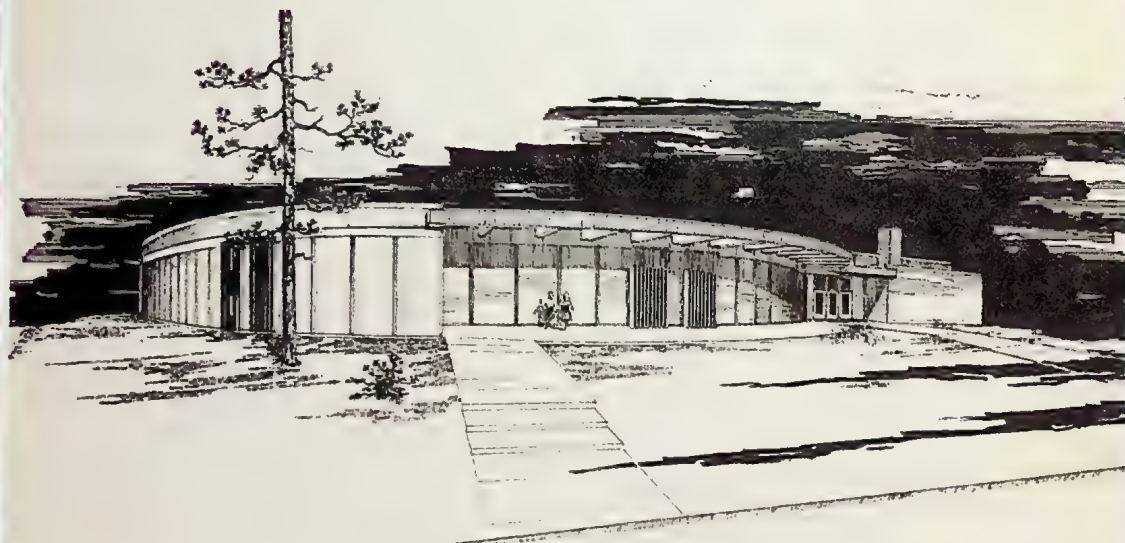

Murray Smith, PhD
Principal, Afton School of the Arts
